

The Mountain View town park receives great reviews from those who visit. The town strives to maintain the parks beauty and make improvements each year.

At our park, you can enjoy sun or shade.

There are several pavilions with picnic tables, briquette BBQ grills, 2 great playgrounds, horseshoe pits, baseball fields, soccer fields, volleyball pit, walking path and a small pond. Although a reservation isn't required, it makes it easier to ensure the space that you may need for a Birthday Party, Family Reunion, Class reunion, Graduation Party, or just a nice picnic, etc...
